## Shine on me

All my life  
And all the time  
I was so blind

In my world  
Shadows and doubts  
It's my turn  
To work it out

Suddenly  
You crossed my way  
Come and take away this pain

Honestly  
You make my day  
Come and save me from the rain

Will you shine on me  
Be my guiding light  
Shine on me  
Like a fire in the night

Give a sign to me  
Wipe away my tears  
Shine on me  
Keep the vision clear

Without your love I feel the emptiness  
Without your love I feel the loneliness  
I'm in the ocean of your love  
Shine on me from high above

I walk the night  
Into the light  
I hear your voice

In the sky  
The rainbow shines  
I start to fly  
Is this a sign?

Suddenly  
You crossed my way  
Come and take away this pain

Honestly  
You make my day  
Come and save me from the rain
