

Multimedia highlight LICHTMOND reaches for the stars and receives GOLD award at the IFA 2011

The location was very well chosen: **GOLD** was awarded to the highly acclaimed multimedia project **LICHTMOND** for its Blu Ray and DVD debut „Moonlight“ by the German Phonographic Industry at **IFA Berlin 2011**.

On Saturday, 3d of September the gold award was given to the producers of **LICHTMOND, Martin** and **Giorgio Koppehele** and to both **creative partners Gabi** and **Suna Koppehele** and the **CEO of blu phase media GmbH, Prof. Dr. Manfred Gröger** at the **Telefunken** booth.

The exciting LICHTMOND worlds of sound and image in real **3D** and **7.1 + 5.1 surround sound** have reached gold status at an amazing speed. The currently available 3D Blu Ray and Deluxe 3 disc set (distributed by **ALIVE**) enjoys enormous popularity and is still **#1** of the **German AMAZON.de DVD** and **Blu Ray Charts** in the categories „Electronic & Dance“ and „World Music“ since many weeks.
